

THANK YOU

FROM MY HEART TO YOURS

**FOR YOUR FAITHFUL GIVING INTO GOD'S KINGDOM
THROUGH ME IN THOSE ALMOST THREE YEARS**

MY HEART CONTINUES TO BEAT FOR...

Your worth isn't tied to pretending or being a superhero in achieving and having it all. Your worth is tied to being HIS. Before you do anything, you matter. Before you achieve anything, you are loved. Before you accomplish anything, you belong. Be confident that this is your inheritance in Christ! God designed you for greatness, so align with your purpose! But understand who you ARE before you find identity in what you DO. Because you are, you do... not the other way.

...JESUS

I love and follow Jesus Christ, and I say it out loud. I want to bring His love, forgiveness, kindness, generosity, integrity, patience and joy wherever I go. Hungry to learn, grow and contribute. I will never be perfect at representing Him. But He loves me through my flaws when I mess up and loves me at my worst. There is nothing I did or will do that separates me from His unfailing love. His perfect love casts out all fear. Thank God for that love that covers imperfections and failures. The freedom, inner peace, trust and joy that I experience even in painful and challenging seasons in life is worth living out loud and praising Him for WHO He is.

...ENRICO

We have been younger, more adventurous, probably more fun and for sure better in shape, but I don't think we have been wiser, more discerning and in tune with trusting and following God's purpose for our lives. No one said it is easy, but it is so worth it. Over three decades of togetherness, I feel like we are just getting started learning, growing, discovering and becoming. The longer we go, the freer it feels. Free to be weak, not strong, to be ourselves, not some imagination of what we should be, to be honest and true to ourselves, but wrapped in grace because we know we are two imperfect people in the process of becoming. The longer we go, the better I like us.

...HIS CHURCH

I am honoured and humbled that God chose me to work alongside purpose-driven Church Leaders and their Teams who share an abundant mindset and are passionate, innovative, Kingdom Thinking Action Takers. Seeing Leaders flourish and share their enthusiasm to join in on this "craziness"(Great Commission, Vision 2033). Celebrating God's stories together and every life changed along the way. An environment that desires to grow in humility welcomes feedback and is constantly hungry to grow and learn.

WELCOME HOME

3 LESSONS LEARNED

In the middle of life. In the middle of love. In the middle of the unknown. In the middle of trusting. In the middle of holding on. In the middle of letting go. In the middle of growing & and becoming. In the middle of dreaming and believing big. In the middle of staying present and counting blessings

STAYING TRUE TO ONESELF

A godly woman uses her lips for truth, her voice for kindness, her ears for compassion, her hands for charity and her heart for love. For those who do not like her she uses prayer.

ALWAYS FACE THE STORM

We are grateful for the many trials and storms in life and ministry, even when they can be tough to endure. But our God always meets us where we are, reveals, takes us deeper, and invites us to let go and let God. Becoming by overcoming and how he sets us free to feel fully alive and purpose-driven.

WE NEED EACH OTHER

It is a myth that one can do life with God alone, even as a couple. We all need brothers and sisters, spiritual mothers and fathers to stay healthy. People who speak into our lives, back us up in prayers, encourage us, and call us out to live up to the potential God placed in each one of us.

19 MINISTRY NEWSLETTERS AND ALMOST THREE YEARS LATER

...THIS IS MY FINAL UPDATE

Your friendship and support mean so much. Thank you for having invested in Alpha's vision and providing opportunities for millions of people across the globe to encounter the love and message of Jesus. Your partnership and God's favour were vital to our efforts. This year, we hope to see more than 1.6 million participants of Alpha and 76,000 courses run by 42,000 churches, organizations, and individuals across the globe. Together, we can see the evangelization of the nations, the revitalization of the Church, and the transformation of society.

These are numbers, but behind each number is a life that has been introduced to Christianity and has experienced a first encounter with Jesus, a life changed forever. We are Jesus's bride, His Church; we are family, and together we are better.

It has been an honour to have you locked arms with God and me during the last almost three years. Thank you for your trust in God and me. Because of your faithful and generous giving, I dared to step into this call. Forever grateful. The best is yet to come; no matter what the future holds, our trust is in Jesus.

THANK YOU FOR OUR PARTNERSHIP

As announced in spring when transitioning from Alpha Switzerland to Alpha International, the season of being responsible for fundraising my salary and expenses will end as of 2024. I would not have been able to serve in my capacity for Alpha if you had not repeatedly, generously and faithfully given into God's kingdom over the last almost three years. I thank you from the bottom of my heart for this unwavering trust in God and me. It means more than you ever know.

With love and appreciation,

Sandra & Enrico
